

Committee Interest Form

Joining a committee represents a unique opportunity for members to get involved—to make an impact on the professional and business climate, to network, to share information and best practices, and to gain visibility among peers, agencies, clients and other professional organizations with similar interests.

All committees and leadership serve as a conduit to foster, grow and protect the industry and members of PASAE through initiatives and relationships with partners. Committees work in conjunction with PASAE staff and at the discretion of the Board of Directors following PASAE Bylaws.

*If you are interested in serving on any committee(s) you **MUST** sign up as a new committee member by checking the box(es) below.*

Association Finance Committee

Mission statement to be created by committee members and leadership with approval by PASAE BOD leadership.

Innovations Task Force

Evaluates new opportunities to advance the mission of PASAE and to provide gold-standard, innovative services to the association industry.

Awards Committee

Reviews nominations and selects winners for the Julie Sullivan Partner Award. Committee meets in February to select award recipient.

Legislative Committee

Promotes and develops opportunities to connect members with the Pennsylvania State Legislature.

Business Partner Committee

Mission statement to be created by the committee members and leadership with approval by PASAE BOD leadership.

Membership Committee

Promotes membership through networking, marketing, open houses and assists with member retention. Committee meets monthly on the 3rd Thursday of the month October through June.

Education Committee

Responsible for planning all of PASAE's educational programming, including the Connections Conference and the Taste of Success Programs, along with all other continuing education opportunities for the membership.
